

2006 SPRING TRAINING SCHEDULE

The San Diego Padres Spring Training schedule for the 2006 season is below. All games start at 12:05 pm (1:05 p.m. Arizona time) unless otherwise stated. The games will be played at Peoria Stadium, unless otherwise stated.

Peoria Stadium is a newer facility that's considered by many to be the best stadium in the Cactus League, despite being one of the biggest. The Seattle Mariners and the San Diego Padres share the stadium, so a visit to Peoria -- a suburb of Phoenix -- during any point in spring training will undoubtedly find a game going on, with tickets available for most dates.

The San Diego Padres have trained in Arizona since their National League inception in 1969: from 1969 to 1993 the team trained in Yuma, while in 1994 the team moved to the new ballpark in Peoria.
