

2008 Rescission Calendar

If a loan includes a rescission option, the Notice of Right to Cancel gives the borrower three (3) business days from the signing date to cancel the loan. This is called a rescission period.

The rescission date is three (3) business days after the signing date, the date the borrower receives the Truth in Lending Disclosure, or the date the borrower receives the Notice of Right to Cancel, whichever occurs last. Business days include any day of the week except Sunday and the holidays noted on this calendar. In some instances Saturday may not be considered a business day; please check with the individual lender to verify. In the event a signing is performed on a federal holiday the rescission period will begin on the next business day. The rescission period ends at midnight on the third business day. In order to cancel the loan, the borrower must make appropriate action before midnight on that date.
