ACADEMIC PERFORMANCE INDEX RANKINGS

Ttl: Total # of students included in API testing administered in spring 2008. **'08:** The 2008 Growth API summarizes a school's performance on the 2008 STAR and CAHSEE tests. The API is on a scale of 200 to 1,000. **'07:** The 2007 Base API summarizes a school's performance on the 2007 STAR and CAHSEE tests. **Chg:** Calculated by subtracting the 2007 Base API from the 2008 Growth API. **Met:** Shows whether a school met its schoolwide growth target if its 2007-08 Growth is at or above its 2007-08 Growth Target. LEAs and ASAM schools do not have growth targets.

**The API is asterisked if the school or LEA (local educational agency) was small in either 2007 or 2008. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.*
