Daylight Savings ends on October 31st
at 2:00am. Remember to set
your clocks back 1 hour!

- ▶ Make sure that your roof is clear of leaves or pine needles and that there is a clear space of at least 30' between your house and the nearest tree.
- ▶ Check your heating system, fireplace chimney, and/or wood-burning stove.
- ▶ Clear all tripping hazards from walkways, lawns and porches.
